

Because not all tanks are created equal.

# 2000L Slimline Water Tank

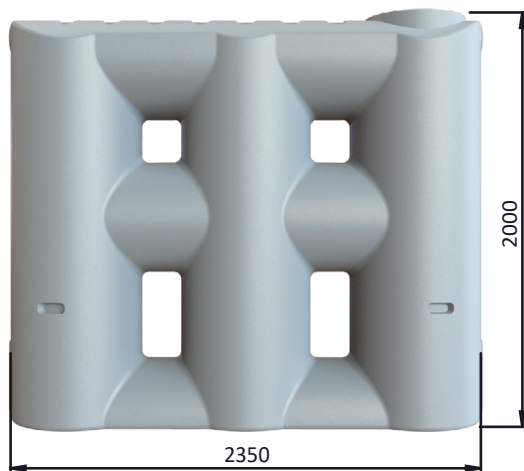

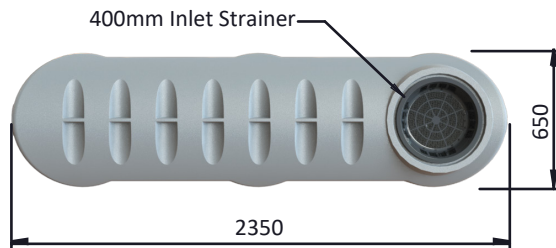

## Water Storage Made Easy

Designed to fit through a standard doorway and for easy installation into areas that can not be accessed by regular tanks, Tankmasta's slimline tanks are the perfect solution when space is at a premium.

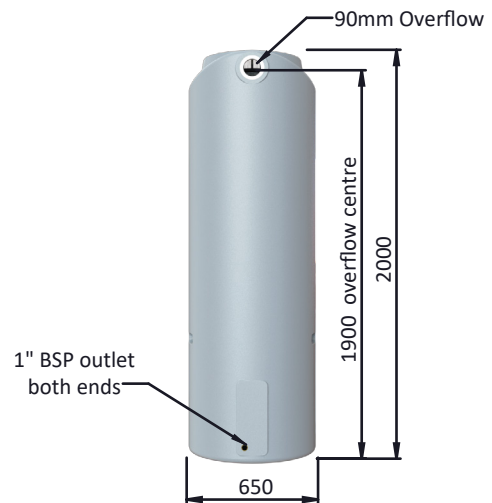

Australian made for Australian conditions, our Slimline tanks are durable and built to last, we guarantee them for 10-years!

Our tank comes standard with:

- 400mm inlet strainer
- 90mm overflow
- 90mm overflow filter
- 25mm ball valve
